ENVIRONMENTAL, HEALTH & SAFETY (EH&S) POLICY

We, at **Accurub Corpotech**, are committed to protecting the environment and ensuring the health and safety of our employees. We strive to demonstrate our commitment through the following:

- Prevention and control of pollution.
 - Conserve scarce resources.
 - Comply with all relevant environmental, occupational health and safety, and other requirements.
 - Implement an effective waste management system.
 - Ensure a safe working environment to achieve zero accidents through continuous monitoring and controlling workplace hazards and protect our employees.
 - Continual improvement in products and processes toward environmental protection, health, and safety.
 - Creation of environmental, health & safety awareness across the organization.
- 

- Continually work to ensure that any health, safety, and environmental impacts of our products and processes are reduced to a minimum and have positive impacts on our customers.
